

# Colne Valley Leisure Centre

Colne Valley Leisure Centre was refurbished by Kirklees Active Leisure and Kirklees Council to improve sport and health opportunities for local people. The centre fully reopened in early 2009 with a refurbished pool hall and changing rooms, sports hall, function area and a brand new 50-station fitness suite.

Since the development, more than 1000 new members have joined the centre's MORE membership scheme and many residents, young and old, have enjoyed using the new facilities. MORE member Richard Robson, 27, said: "The gym here has everything I need. It's a great place to work out. The staff are very friendly."
