

Deighton Sports Arena

Since KAL became responsible for the management of the Deighton Sports Arena a successful bid was made to Sport England to recruit a dedicated Sports Development Officer.

This officer has worked closely with the Deighton Into Sport Partnership (DISP) to deliver a wide range of activities at affordable costs to local residents including adults, young people and people with disabilities.

The Deighton Sports Arena has had over 1300 new registered users attend its facilities in 2009, this is in addition to the existing regular casual users.

Kirklees Active Leisure - widening access to positive activity

Had a great experience with KAL? Then we want to hear from you, please email us at info@kirkleesactive.co.uk.
