

# TRUSTEES WANTED

Kirklees Active Leisure, (KAL) the Charitable Trust which runs Kirklees Council's Sports Centres and Swimming Pools, is looking to recruit volunteers to join their well established Board of Trustees.

Our vision is to ensure there are '**more people, more active, more often**' through removing barriers to participation in sport, creating opportunities to be active and by providing affordable sport, leisure and recreational activities.

As a Trustee you will ensure that Kirklees Active Leisure fulfils its Strategic direction and responds to the needs of the local community, working closely with a wide range of partners.
